Adverting to Government Order No.3052-3/Med 14-10-5 dated 28th September 1910 directing that funds should be provided for the appointment of Midwives in Sacrepatna, Ajjampur, Kalasa etc., I have the honor to state that in the present state of its finances, the District Board finds it impossible to make adequate provision at present for the employment of Midwives in all the five places referred to above. The Board has, however, resolved, in its meeting held on the 14th day of February 1911, that a Midwife may be appointed on a salary of Rs15 per mensem at Kalasa where the want of one is most keenly felt and provision has accordingly been made in the next year's District Fund Budget submitted to Government for sanction.

2. I therefore request that you will be good enough to obtain the sanction of Government for the appointment of a Midwife at Kalasa.
